## **Kycon Expands RJ45 Coupler Line with Shielded Cat 6 and Cat 6A options**

**Morgan Hill, CA** – Kycon is excited to announce the expansion of its RJ45 coupler series, now featuring two new part numbers that support both Cat6 and Cat6A network ratings. This expansion supports Kycon’s ongoing commitment to providing high-quality, reliable components tailored for advanced networking and communication solutions.

With these new additions, Kycon continues to offer versatile and durable components to meet the growing demands of modern data and communication infrastructure.

### **Product Features:**

- Fully shielded in stainless steel
- Snaps into a Panel Mount or Bulkhead
- Connects Finished Patch cords to Finished Patch Cords (male plugs to male plugs)
- No crimping or soldering required
- Compatible with CAT6 and CAT 6A cables
- 50u Gold Plating

### **Applications:**

- Networking equipment
- Computer equipment
- Telecommunications equipment
