Kycon expands offerings of RJ45 Modular Jacks with Magnetics

Morgan Hill, CA – Kycon now offers additional RJ45 modular jacks with integrated magnetics for use in various applications to help designers with space and cost savings, while improving electrical performance.

Available configurations include right angle with 10/100 magnetics and POE, dual stack with gigabit, low profile with gigabit and a combo RJ45 over USB with gigabit.

Each series can be made with alternative magnetic schematics, LED and plating options; minimums may apply. Please contact Kycon for specs, pricing and samples.

Part Numbers:

G7LX-A88S7-BP-G/Y	RJ45 Modular Jack with 10/100 magnetics and POE, LEDs
